This is a draft of the 2010 cutoff calendar which is based on a typical short session. The final 2010 Cutoff Calendar will depend on a joint House/Senate resolution passed during the first week of the new session.

After the 54th day, only initiatives, alternatives to initiatives, budgets and matters necessary to implement budgets, messages pertaining to amendments, differences between the houses, and matters incident to the interim and closing of the session may be considered.

The Governor has 5 days, excluding Sundays, to take action on any bill passed by the Legislature, provided adjournment does not occur within 5 days.

**The House of Representatives has established additional deadlines (not contained in the traditional cut off resolution) to facilitate the work of its additional appropriation committees.
