

Guaranteed Admissions Pilot Summary 2021-22

Washington's public four-year college and universities, in partnership with our communities, are committed to meeting the college and career goals of Washington's students. Focused on increasing access and credential completion in Washington, many of Washington's public baccalaureate institutions offer guaranteed admissions programs for students who meet set criteria.

Washington Public Baccalaureate Institution Guaranteed Admissions Pilot (GAP)

The Guaranteed Admissions Pilot supports guaranteed admissions efforts at [Central Washington University](#), [Eastern Washington University](#), [The Evergreen State College](#), [Western Washington University](#) and [Washington State University](#).

Participating institutions require two criteria be met for a student to be eligible for guaranteed admissions: (1) A minimum GPA or minimum GPA/class ranking and (2) Completion of the College Academic Distribution Requirements (CADRs).

- ◆ CWU - GPA 3.0 and CADRs completion
- ◆ EWU - GPA 3.0 and CADRs completion
- ◆ Evergreen - GPA 2.5 and CADRs completion
- ◆ WSU - GPA 3.0 and CADRs completion
- ◆ WWU - GPA 3.0 and CADRs completion

If a student meets the criteria or is on track to meet the criteria by high school completion, he/she/they are guaranteed admission to the institution. Students eligible for guaranteed admission must apply to the institution by completing an admissions application and any additional requirements and steps by the institution; and are encouraged to engage in challenging high school coursework and maintain their high school GPA during their senior year to meet the guaranteed admission criteria.
