

**Washington's Public Four-Year Universities and College  
Washington High School Mastery Transcript Statement**

**May 2022**

Washington's public four-year college and universities recognize that strong K-12 educational preparation benefits our students, families, faculty, campuses, and communities. We support mastery-based learning approaches to instruction and graduation that establish universally high learning expectations for students.

Across our sector, we accept a wide range of student transcripts that meet admissions requirements and provide a complete and accurate presentation of what a student has learned and accomplished prior to their arrival on our campuses.

We assure Washington students and their families that students who apply to our campuses with a mastery transcript will not be disadvantaged in the admissions process.

We remain committed to innovative teaching and dynamic learning styles across education to reduce barriers for all students. We also support student preparation for higher education, careers, and lives as engaged and informed residents of Washington.

Myndee Ronning  
Director of Admissions  
Central Washington University

Paul Seegert  
Director of Admissions  
University of Washington

Jana Jaraysi  
Director of Admissions  
Eastern Washington University

Andrew Brewick  
Director of Admissions  
Washington State University

Wade Arave  
Director of Admissions  
The Evergreen State College

Cezar Mesquita  
Director of Admissions  
Western Washington University
