

Guaranteed Admissions Program 2022-23

Washington's public four-year college and universities, in partnership with our communities, are committed to meeting the college and career goals of Washington students. Focused on increasing access and credential completion in Washington, many of Washington's public baccalaureate institutions offer guaranteed admissions programs for students who meet set criteria.

Washington Public Baccalaureate Institution Guaranteed Admissions Program (GAP)

The Guaranteed Admissions Program supports a college going culture and guaranteed admission efforts at [Central Washington University](#), [Eastern Washington University](#), [The Evergreen State College](#), [Washington State University](#) and [Western Washington University](#).

GAP is focused on students in the 11th and 12th grades. Through data sharing partnerships with Washington school districts and schools, the participating institutions engage with:

- ◆ Students in the 11th grade to ready them for college and familiarize them with college admissions and,
- ◆ Students in the 12th grade determine eligibility for guaranteed admissions or if not eligible, to engage through the general admissions process.

Participating institutions require two criteria be met for a student to be eligible for guaranteed admissions: (1) A cumulative GPA of 3.0 or higher and (2) Completion of the College Academic Distribution Requirements ([CADRs](#)). If a student meets the criteria or is on track to meet the criteria by high school completion, he/she/they are guaranteed admission to the institution.

Districts and School Participation in GAP

For the 2022-23 academic year, districts and schools must complete a signed GAP joint data sharing agreement and letter of support by September 30, 2022. For additional information, districts and schools should reach out to a participating institution or the Council of Presidents.
