

Letter for 12th Grade Student Eligible for Guaranteed Admission

Congratulations! You have met the admissions requirements and will be admitted to the following Washington public, four-year colleges and universities for the Fall 2023 term.

[Central Washington University](#) [Eastern Washington University](#)
[The Evergreen State College](#) [Washington State University](#)
[Western Washington University](#)

What's next? The universities and college listed above will reach out to you regarding your next steps. You will be required to complete an admission application and any additional requirements identified by the college or university. We are here to help you through this process. **Be sure to continue to engage in challenging high school coursework and maintain your high school GPA during your senior year to meet the guaranteed admission criteria.**

Senior year goes by quickly, so use these tools to help you plan your future:

- Visit the university and college websites via the links above to learn more.
- Talk with trusted family, friends, school counselors, teachers and others about the colleges and universities you feel are the best fit for you.
- Share this letter with your college and career counselor or adviser and ask questions about anything you don't understand.
- Reach out directly to the admission offices for the colleges and universities you are interested in, and ask all the questions you can! Take a campus tour and talk to an advisor to find out more about what our institutions have to offer and the kinds of classes you can take.
- Plan your costs. We have tools and resources to help you pay for college. Check out the websites below to get started. You can also learn more about getting help to pay for college at wsac.wa.gov/apply.
- Continue to engage in challenging coursework and maintain your GPA. This offer of guaranteed admission is contingent on continued excellence in your academic and in-progress or completed core classes (CADRs) and recognizes that the Council of Presidents does not have authority to make admission decisions for any Washington public, four-year institution.

Together, Washington colleges and universities are here to help students become the next author, biologist, chef, influencer, YouTuber, nurse, or video game designer. Universities and colleges come in all shapes, sizes and locations. There is a place for you and for every Washington student. Congratulations on your achievement!
